

Johnson & Johnson

Johnson & Johnson

Consumer Health Care Products

Our Consumer segment includes a broad range of products used in the baby care, skin care, oral care, wound care and women's health care fields, as well as nutritional and over-the-counter pharmaceutical products, and [wellness and prevention platforms](#).

[Keeping Our Safety & Care Commitment is the most important thing we can do to continue earning your trust](#). It's why our assurance process is so rigorous. And it's why we're always listening to you - so that we can improve our products and you can have complete peace of mind whenever you bring them into your home. To learn more, please go to [Our Safety & Care Commitment](#) website to learn more.
